

NWC-352.13

21 December 1953

Lt. General Charles F. Cabell, USAF
Deputy Director
Central Intelligence Agency
Washington 25, D. C.

Dear General Cabell:

You inquired as to what arrangements there are for attendance by representatives of the Central Intelligence Agency at The National War College lectures. The Commandant has asked me to inform you that The National War College will be very glad to grant clearances for your representatives to attend our lectures. We have been informed by Mr. [] that you would like for him, or one of your other representatives here, to inform CIA when there are any lectures to be presented which might be of interest to your agency. Such an arrangement is perfectly satisfactory and we shall be happy to cooperate. We are advising your three students here of this arrangement and are asking them to keep your agency apprised of such lectures.

Appropriate clearance will be granted by the Executive Officer, The National War College. We need know only the name of the CIA individual and what lecture your agency wishes him to attend. Such information can be furnished to the Executive Officer, The National War College (Code 150, extension 328) either by one of your CIA students or by telephone from CIA.

Respectfully,
